### Iron County Register

E. D. AKE, EDITOR.

VOLUME XXIV. NUMBER 18.  
IRONTON, : : : NOV. 6, 1890.

The Truth was just two days previous  
in its announcement that Kinsey  
was sick. Our latest advices are that  
the Light Weight is sick, very sick,  
indeed!

Prof. Jundano will give an entertainment,  
consisting of slight-of-hand performances,  
ventriloquism, etc., in the Academy of Music  
Tuesday evening, November 11th, which  
promises to be one of the best of its kind  
that has ever been given here. The profes-  
sor ranks high as a magician and ventrilo-  
quist and comes heralded by an exhaustless  
number of commendable press notices. The  
people should turn out and give him a well-  
filled house. The following is taken from  
the Dunn County News: "Prof. Jundano,  
the magician, was greeted by a large audi-  
ence at his entertainment in Concert Hall  
last Tuesday evening. When the curtain  
rose there was revealed a stage so handsomely  
decorated that it appeared like a realm of  
fairland. It is unnecessary to recount the  
many wonderful feats of legerdemain and  
magical transformation performed by the  
wizard which so charmed and delighted his  
auditors. His display of ventriloquial pow-  
ers were also very interesting and entertain-  
ing. It was generally conceded by those  
present that it was the best entertainment  
in those specialties ever given in this city."

#### PERSONAL.

Mr. F. P. Adams of St. Louis is spending  
a few days in Ironton with his family.  
Mrs. J. S. Norman has returned to her  
home in Murphysboro, Ill.  
Mrs. T. S. Lopez and daughter, Miss Adel,  
left Monday morning for St. Louis, their fu-  
ture home.  
Mr. Fred Schmitz and wife of De Soto are  
visiting relatives and friends in the Valley.  
Mrs. H. O. Davis returned home Satur-  
day after a three months visit to relatives in  
Port Jervis, N. Y.  
Mr. Henry Kendal spent Sunday in Poplar  
Bluff.  
Mr. George Cloud of Graniteville was in  
town Monday.  
Miss Be Le Whitworth has returned from  
a visit to friends in De Soto.  
Mr. Emmet Hinchey of De Soto was in  
town several days of last week.  
It was once supposed that scrofula could  
not eradicate from the system; but the  
marvelous results produced by the use of  
Ayer's Sarsaparilla disprove this theory.  
The reason is, this medicine is the most pow-  
erful blood-purifier ever discovered.

Yours, etc., W. W. STINSON, M. D.

#### Iron County Union.

Iron County Union met with Carver Union,  
on October 24th, 1890, with a large delegation  
present.  
President William Ruddock addressed the  
Union, giving the different officers and  
committees instructions on the duty of each  
and showing why we farmers were com-  
petent to organize, not as we wanted to, but  
because we were driven to. We were the  
last people on God's green earth that ever  
wanted to organize, but the lines are being  
drawn in too tight on the farmer and labor.  
Then the Secretary of Carver Union gave  
us an address of welcome and I must say  
that the brother that worked on the rail-  
road and found grub scarce in that little  
town of Saluda, should have been with us on  
the 24th and 25th and he would have thought  
times were getting better, and then the dele-  
gate was called upon to make his report and  
so the first day was soon gone.  
Saturday was spent in discussing whether  
or not we, as farmers and laborers of Iron  
county, should start a tanyard in the near  
future. There was a committee appointed  
to draw up plans, showing how much it  
would require to start. W. T. O'Neal is  
Chairman of the Committee, and as there  
were 6 Talons not represented, it will take  
some time before the Chairman will call a  
meeting of that committee.  
There was considerable business laid over  
until our next meeting. We then adjourned  
to meet the Friday before the first moon in  
January, 1891, in the city of Ironton.

W. T. O'NEAL.

#### From Des Arc.

On the 30th day of August, in 1886, the  
corner stone of the M. E. Church, south,  
was laid by Rev. W. P. Gibson, who was  
then pastor of the little band of Methodists,  
at this place. He labored faithfully with  
them in soliciting aid for the completion of  
the building, and the Conference removed  
him to another work, and he was succeeded  
by other ministers in the years that followed.  
The building was ready for use by the 1st  
of January, 1887, but there was a debt of  
\$500.00 on it, and of course they could not,  
and would not dedicate it with a debt hang-  
ing over it.  
The good people of the town and sur-  
rounding country also in neighboring towns,  
aided them with their money and hearty  
co-operation, which, with the \$200.00 received  
from the Church Extension Board, enabled  
them to pay off the debt, carpet the aisles  
and pulpit, and they received a donation  
besides, of a splendid bible and a handsome  
chair from several of the good friends who  
had an interest in the work. Thus the  
church was dedicated yesterday as previously  
announced, by Dr. J. D. Vincell, of St. Louis.  
Owing to severe illness, the pastor, W. T.  
Talley, was unable to be here, which he, as  
well as the church here regretted very much,  
but it was unavoidable, so the good Dr. said,  
"I am ready for anything," and we had the  
pleasure of listening to three of the best  
gospel sermons it has ever been our lot to  
hear.  
Rev. J. W. Myrick preached in the after-  
noon, and was listened to with good atten-  
tion. We were sorry the meetings had to  
close, but trust Dr. Vincell can return some  
time and preach for us again. The house  
was not crowded at any service but comfort-  
ably filled and indeed we had an enjoy-  
able time. The members of the church feel very  
grateful to the people for their generous as-  
sistance in this work and trust that they will  
be rewarded a thousand fold in the good  
that has been and may be done in the salva-  
tion of souls, and the uplifting of the people  
in a great many ways; in helping them to  
live nobler and better lives and inspire new  
life and zeal to work for that which should  
be the aspiration of every heart—the Cause  
of Christ.

#### Colored Society Notes.

At the M. E. Church on the 31st inst.,  
there will be a grand "Dust Cap" Enter-  
tainment, given for the benefit of the pastor.  
The lady wearing the finest dust cap on that  
occasion will receive 50 cents as a first prem-  
ium, the one wearing the second neatest cap  
will receive 25 cents. A full supper will be  
provided, including oysters. Mariah Rus-  
sell, Chairman.  
The last report submitted by the teacher  
of the Ironton school showed a daily average  
attendance of 41; enrollment, 52; average  
percent of enrollment attended each day,  
79; average number of days attended during  
the month by each, 16; whole number of  
days attended by all, 536. The above report  
is the best heretofore submitted by the pre-  
sent teacher. The following pupils were pro-  
moted during the month: Dora and Rose  
Boyd, Columbus and Ethel Cooley from the  
second reader to the third reader.  
Rev. Deboe is holding a protracted meet-  
ing at Caledonia.  
There are several parties bidding for the  
mail contract which is now held by George  
Carter, chief among whom are John Anthony  
and Robt. Blanks.  
Henry Boyd not long since caught a lad  
stealing tobacco from his father's crib.

Henry proceeded to take satisfaction out of  
the thief's hide then and there.  
There are chicken thieves operating in  
town. Several parties have lately had their  
chickens stolen. Among them are Mrs.  
Smith and Abanatha.  
Pres. La Whitner has returned home from  
Granite Bend.  
To the man in the moon is the subject to  
be written by the school children this month.  
The duty of answering will probably devolve  
upon the teacher.

### The Safest

AND most powerful alternative is  
Ayer's Sarsaparilla. Young and  
old are alike benefited by its use. For  
the eruptive diseases peculiar  
to children nothing else is so effective  
as this medicine, while its agree-  
able flavor makes it easy to admin-  
ister.  
My little boy  
had large scrofu-  
lous ulcers on his  
neck and throat  
from which he  
suffered terribly.  
Two physicians  
worse under their care, and everybody  
expected he would die. I had heard of  
the remarkable cures effected by Ayer's  
Sarsaparilla, and decided to have my  
boy try it. Shortly after he began to  
take this medicine, the ulcers com-  
menced healing, and, after using several  
bottles, he was entirely cured. He is  
now as healthy and strong as any boy  
of his age."—William F. Dougherty,  
Hampton, Va.

"In May last, my youngest child,  
fourteen months old, began to have sores  
gather on its head and body. We ap-  
plied various simple remedies without  
avail. The sores increased in number  
and discharged copiously. A physician  
was called, but the sores continued to  
multiply until in a few months they  
nearly covered the child's head and body.  
The sores assumed a more healthy condi-  
tion, the discharges were gradually dim-  
inished, and finally ceased altogether.  
The child is livelier, its skin is fresher,  
and its appetite better than we have ob-  
served for months."—Frank M. Griffin,  
Long Point, Texas.  
The formula of Ayer's Sarsaparilla  
presents, for chronic diseases of almost  
every kind, the best remedy known to  
the medical world."—D. M. Wilson,  
M. D., Wiggs, Arkansas.

**Ayer's Sarsaparilla,**  
PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.  
Price \$1; six bottles, \$5. Worth \$5 a bottle.
